

GLOBAL SCIENCE & TECHNOLOGY, INC.

Streamline your
payment process with GST's
**Audit Document
Imaging System (ADIS)**

- A Low-risk web-enabled payment process system
- Significant and rapid ROI
- Reduce payment processing costs by 50-80%*
- Dramatically increase reliability and efficiency
- Easy installation and implementation
- Minimal training required
- Highly scalable and customize-able
- Currently running state-wide in West Virginia

* Savings based on a typical paper payment process vs. ADIS process
